

How do I navigate through the pages of audit report?

1. You can scroll through your audit page-by-page

EITHER by clicking on the page number at the top of the screen

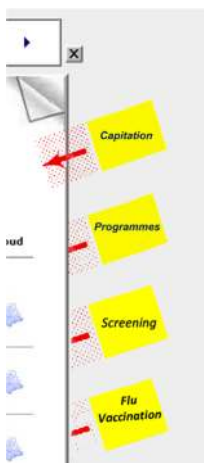

OR by using the forward and backward arrows at each ends of the top bar.

2. You can also click on the top right corner of the page to turn over to the next page.

3. You can also go straight to the first page of each section by clicking on the yellow tab.

4. Finally, if you get completely lost, there is an index on pages 3 and 4.

Clicking on the blue underlined text will take you straight to the page indicated.
